Prom 2015

"The Golden Age"

This years prom was held at the National History Military Center. The theme was "The Golden Age." The ballroom was decorated in vintage Hollywood decor with feathers, balloons, and we even had a photo booth! Prom Court was announced and Kennedy Thomas was crowned Prom Queen and Carson Torres was crowned Prom King! DeKalb students had a great time dancing the night away with their friends, creating memories that will last a lifetime.

Spanish Club

This year the Spanish club helped with the fundraising of the adopted family last Christmas. They were able to give an unfortunate family a Christmas this year. Also, some of the members went on the Spring Break trip to Costa Rica where they leaned about the local customs and visited sites including a public school, an Ox cart factory, the beach, and the mountains.

Tech Fest

TechFest is Northeast Indiana's annual one day STEM competition as well as a college and career expo for local high school students. More than 60 schools competed to win the coveted "TechFest Cup." Students were challenged with exciting problem-solving events and also given the opportunity to earn extra points by attending "break-out" sessions where they talked with local experts. Whether hanging out with friends in the video game lounge or meeting with potential future colleges, TechFest 2015 was the place to be. DeKalb High school students were honored to take home 1st place and are hoping to maintain their victorious reign in the future.

Vocational students leave DeKalb High School to go practice the trade that they want to be when they are older. Juniors and seniors are eligible to become vocational students. Most programs last for two years and require you to sign up for them your sophomore year. Criminal Justice and Cadet Teaching are the only one year-vocational programs available at this time.

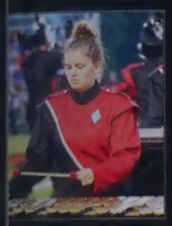
Marching Band 2014

The Baron Brigade had a great season starting at the Bluffton "On the Banks of Wabash" invitational. There, they took first place and all three Music, Visual, and General Effect caption awards. The Brigade continued to progress throughout the season and collected many more awards in the process. Unfortunately, their season ended at ISSMA Semi-State competition at Pike High School, and they did not advance to ISSMA State competition. Keep up the hard work and determination and good luck next year, Brigade!



"Having that moment during a performance when the band hits an impact and it has a ton of energy and you can't help but smile and be proud to be a part of such a great group."
-Cameron Bell

"I really enjoyed learning the life skills of a leader and getting to work with all the amazing kids this year. It's so great to be able to build memories with so many different people."
-Hanna Fetter

"I've accomplished so much with the Baron Brigade. I've learned many great life skills such as leadership, teamwork, and definitely the meaning of dedication. This band is truly something special."
-Dilan Frain

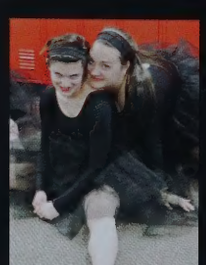
Winter Guard

"Classically Composed"



DEKALB WINTER GUARD... The winter guard show was about a young girl at ballet class who falls asleep while they are practicing. Throughout the show, the girls reenact the little girls dream. All of the flags and dance moves are apart of her dream. At the end of the show, the girl wakes up and is still at ballet class. The winter guard travels all over Indiana to compete in vigorous competitions against other schools throughout the state. They hosted their own invitational on January 24th. The girls placed 17th out of 30 guards at state.

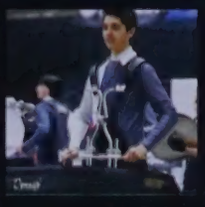
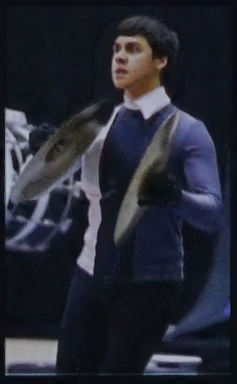
Winter Percussion





This year's winter percussion show was entitled "The Space Between." It was about the different colors and what each of the colors represent, such as happiness, anger and peace. The winter percussion group traveled around Northeastern Indiana competing in multiple competitions against schools from all over the state. They advanced to state competition at Ben Davis High School and placed 9th at state finals.

The Classic Connection seniors sang the National Anthem as well as "Back Home Again in Indiana" at the beginning of the Ceremony.

Congratulations, Class of 2015!

I believe what really contributes to the best memories is change...When we change our normal habits and try something new, it is that step in a new direction that remains in our minds.

Jasper Bassett

There will certainly be change for us. Right now, right here, is when we can decide where we go, what we do, and who we become. It will be different for each of us, but we all have a common ground here.

Salutatorian, Christa Voirol

Ten years from now, it won't matter to us who was valedictorian or who was on the homecoming court or who won a sectional championship; we will only remember the little things, the times we shared together in freshman biology, our crazy dance circles at prom, and conversations during lunch with friends.

Valedictorian, Clay Travis

Thank you for the memories we shared, and the everlasting bonds we've formed...I am eager to see the amazing things everyone will accomplish within their lifetime and see what you make the "best years" of your life.

A Word From the Coach...

Having a record over .500 is both frustrating and inspiring. The senior class made great strides, and I can only hope they pursue life with the same vigor they did this fall. Even though the football field didn't produce the perfect results, the strides we made as a program were great. The stands were full, the environment was festive, and the student body began to be a part of the Football Family once again. The future is bright not just because of the Brotherhood, but because the Baron Family has risen up once again to embrace excellence. -Kempf
